

## Telemeeting Agenda

May 15, 2013, 10:30 – 11:30

1-877-413-4790 conference ID 3381344#

@RiskAUG

## Introduction

The forum is the 19th of monthly opportunities to share knowledge about incorporating Hazus Risk Assessment into disaster reduction decisions in Canada. The NRCan Quantitative Risk Assessment Project of the Public Safety Geoscience Program supports the forum until January 2014 (or so).

Resources can be found at:

<http://www.hazuscanada.ca>

<http://www.usehazus.com/canadianhug>

## ***Suggested telemeeting program :***

- 1 Meet and greet as we make the phone connection
- 2 News and views
- 3 Presentation: Rapid Damage Assessment Methodology for Catastrophic Souris River Flooding, Minot, North Dakota; Jesse Rozelle and Doug Bausch, FEMA, Denver, Colorado.
- 4 Discussion, including general Q&A on using the Hazus Flood Module.

## ***News and Views***
