

Chris L'Heureux
Senior Program Officer / Agent principal de programmes
Plans and Logistics / Planification et logistiques
Operations Directorate / Direction generale des operations
Emergency Management & National Security Branch
Public Safety Canada / Securite publique Canada

The requirements for Canadian Federal Departments to meet the 2007 Emergency Management Act (EMA) and to provide an overview of the Federal Policy for Emergency Management (FPEM) 2009. Mr. L'Heureux will also provide a short overview of the Canadian Federal Emergency Response Plan (FERP) and the National Emergency Response System (NERS); these two documents have just been approved. Please keep in mind that these four documents do not address using Hazus. Mr. L'Heureux will also speak about emergency planning and the usefulness of Hazus.
