Contact Information:

Andrea Jackman (LinkedIn)

andrea.jackman@us.ibm.com

Southeast ShakeOut

- Purpose: Help people and organizations get better prepared before the next big earthquake and practice how to protect ourselves when it happens
 - Encourage you, your community, or your organization to review and update emergency preparedness plans and supplies
- How to participate: Visit <http://www.shakeout.org/southeast/index.html> to learn more
 - The site has customized flyers with ideas for what your organization can do
- When: Official date and time is October 18th at 10:18am, but you can hold your drill at any time within 2 weeks of October 18th

Coastal Flood Loss Atlas

Moses Wilkins, Region IV

- The Coastal Flood Loss Atlas was recently published on the Geoportal
- Visit <http://fema.maps.arcgis.com> to see the analysis

Updates from User Groups / Regions

- Questions?
- Updates from User Groups and/or Regions

Closing Remarks

- The next call will be held on October 16th 2012 at 3pm EST
- Meeting minutes from this call will be available on the LinkedIn Hazus group
- A free podcast (recording) of this call will be available on iTunes – search for Hazus Community

We welcome your ideas and suggestions for future calls. Please email these to us at hazus@arcaspicio.com. Thank you for joining the call today.
